(Coauthors: Assembly Members Fong, Mendoza, Saldaña, and Swanson)

February 5, 2010

An act to add and repeal Article 6 (commencing with Section 12290) to Chapter 3 of Division 12 of the Elections Code, relating to elections.

LEGISLATIVE COUNSEL'S DIGEST

SB 970, as amended, Corbett. Preelection day voting.

Existing law generally requires voters who wish to vote and who do not cast their ballots by mail to cast their ballot at the precinct polling place on election day.

This bill would permit, until December 31, 2016, the Secretary of State, in conjunction with the county elections officials, the University of California, ~~and the California State University, and the California Community Colleges~~, to select ~~2~~ 3 college campuses, one *each* within the University of California ~~and one within~~, the California State University, *and the California Community Colleges*, to ~~each~~ serve as

preelection day polling places for any precinct in the county's jurisdiction during at least one general election. The bill would require voluntary consent from the local elections official within whose jurisdiction a preelection day voting polling place would be located for preelection day voting to take place in that jurisdiction. The bill would require that the preelection day polling places be open to receive votes on the 5 business days preceding election day. The bill would require each county elections official who has a preelection day polling place within his or her jurisdiction during an election to report to the Legislature and the Secretary of State regarding the use of the preelection day voting polling place within 6 months of the date of the election. The Secretary of State would then be required to report to the Legislature regarding an assessment of early voting on college campuses by examining the participation in the program and the costs to the state for implementing the program.

Vote: majority. Appropriation: no. Fiscal committee: yes.
State-mandated local program: no.

The people of the State of California do enact as follows:

1 SECTION 1. The Legislature finds and declares all of the
2 following:

3 (a) Preelection day voting on college campuses will allow
4 college students more time to vote and thereby more effectively
5 manage their busy class schedules.

6 (b) Research findings show that the younger a voter becomes
7 engaged in the political process, the more likely he or she will
8 remain an active participant in our democratic system of
9 government.

10 SEC. 2. Article 6 (commencing with Section 12290) is added
11 to Chapter 3 of Division 12 of the Elections Code, to read:
